Experience the 2024 Mornington Peninsula Winter Wine Weekend - a four day celebration of unforgettable wine and food experiences!

We're thrilled to be sharing a sensational June Long Weekend program with you including an exquisite welcome dinner, exciting new partnerships with top notch food and a fantastic Saturday Winter festival with a delicious winter long lunch. And don't miss out on winery events throughout the weekend.

Friday 7 June

Winemaker's Truffle Dinner

Get the weekend started with The Winemaker's Truffle Dinner, which promises to become the 'must have' tickets to kick off the program.

Bringing 13 of your favourite wineries together at 'The Village Hall', each will host a table with wines especially curated to match starting with canapes and a stunning 3 course menu with Truffles at the very centre. They'll be bringing their rare & fine, back vintage, cellar selections, large formats and will no doubt be shared from table to table as the night goes on!

Settle in with Melbourne's celebrated jazz ensemble, The Georgia Byrne Trio and enjoy a night to celebrate the season in 'The Village Hall' at the Red Hill Showgrounds.

Wineries include Paringa Estate, Montalto, Stonier, Quealy Wine, Main Ridge Estate, Crittenden Wines, Ocean Eight, Handpicked Wines, Rahona Valley, Red Hill Estate, Tar & Roses and Yabby Lake.

Saturday 8 June

The Winter Wine Festival

The Wine Festival is the weekend's hallmark event, long-standing and very popular, it showcases 41 wineries pouring their new vintages and special releases at the heart of the region - The Red Hill Showgrounds.

In 2024 we're launching a new way to experience the region's best with tickets priced at \$80 per person which includes wine tastings from 40 of our region's wineries and a RIEDEL glass to take home. This is a rare opportunity to experience Mornington Peninsula wineries in one place at one time, highlighting the incredible diversity in wines resulting from the climate and terroir unique to the region.

We are evolving our food experience this year with more options. 'The Village Hall' will be hosting a Cassoulet Lunch (strictly for 200 festival ticket holders) for a seated long-table, farmhouse lunch of duck cassoulet & crusty bread with a Millers fruit tart to finish at \$59 per person. Guests will have access to "The Vintage Bar" where we'll be selling wines by the glass from a select 12 of our wineries, who have chosen from their cellars.

The 'Village Green' will be humming with the theatre of our new food partners:

- Long Paddock Raclette Bar - bubbling Raclette served individually onto artisan sourdough with cornichons, pickled onions and smoked ham. Cheese boards will also be available with traditional cheeses.
- Red Gum BBQ - bringing their wood smoker to serve a trio of sliders, brisket burger, a rib and slaw.
- Pinchy's Lobster Bar - choose from lobster rolls in toasted brioche buns, crab tacos, a vegan option of a lion's mane taco and truffle fries.
- Alatonero - a regional favourite bringing their delicious greek fare, including their irresistible loukoumades.
